Hello Parents and Carers!

Our Learning

This Week

The children have been enjoying the story of Goldilocks and the Three Bears and have been talking about how Baby bear and Goldilocks were feeling at different parts of the story.

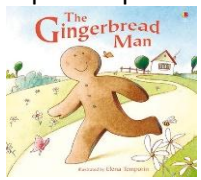
The children have been experiencing 'Write Dance'. This is a fun activity to help children with gross and fine motor skills in preparation for writing. ***If any parents have rolls of unused wallpaper at home we would be happy to use them for our Write Dance sessions***.

In Number we have been focusing on the value of the number 3, linking this to the story of Goldilocks and the three bears. We have been recognising the numerals and counting objects to 3. We have also looked at comparing the sizes, for example big and small.

In Phonics we learnt the sound '**a'**. We discussed objects that begin with this sound. Next week, we will revisit the same sound to help children become more familiar and confident with it

Next Week

In English, we will be reading The Gingerbread Man and beginning to retell the story using actions and repeated phrases.



Please use the link below to share this story with your children.

In Maths, we will be exploring and recognising repeating patterns. The children will use a range of resources to create their own patterns.

Our focus nursery rhyme will be One, two, three, four, five.
Please share this rhyme with your children using the link below.
