You will find all school information,
updates, term dates and up & coming events

Wellington Boots:

Please can you provide a pair of Welly boots for your child.

We need them for after half term.

We will be doing weekly outdoors activities and we may get wet feet.

Please make sure both boots are labelled and the bag they come in.

Thank you.

Date: 05.11.26

Hello parents and carers,

We are so happy to welcome the children back after half-term.
Over the next few weeks, we will be conducting the parent consultations –
We are so excited to share with you how your wonderful child has been settling into nursery.
Please do try attend, and let us know if you would like to rearrange the meeting.

Next Week's Word of the Week:

Friendship

Next week's rhyme of the week:

Five Little Monkeys Swinging in a Tree

Please share this rhyme with your child.

Our Learning

This Week	Next Week
We have been learning about Diwali, the festival of lights. We have shared the classic tale of Rami and Sita, as well as practiced Bhangra dancing and making exciting crafts – be on the look out for these in children's bookbags!  We have begun to read the classic folk tale Goldilocks and the Three Bears this week, exploring counting and mathematical language such as big, medium and small. The children have also really enjoyed sharing this tale with us, and are beginning to join with the repeated language "and it was just right!"  We have also been sending home library books and a new reading record. Inside your child's reading records, there are several log ins for various educational websites. Please explore these in a fun way with your child and let us know if you experience any issues!	We will be continuing to explore the tale of Goldilocks and the Three Bears to develop the children's understanding of language and story sequencing. In maths, we will be working on their understanding of number order, encouraging them to point to an object as they count it and then stating how many there are in total. For example, "There are 3 bears!" It would be wonderful if you could also practice this with your child at home when you are playing with them – you can count anything, toy cars, dolls or even trees on your way to school! We will also be continuing our exploration of autumn, looking at the weather changes and signs of autumn. If you would like to, you could collect leaves, conkers and pinecones at the park. Thank you for your hard work over the half term break and continue to play and explore with them – they have learnt so much from you.

General Notices

Home Time

Your child's **safety** is **extremely** important to us. We ask that you form a queue and continue to be patient when we are calling your children's names. If somebody different is picking up your child, you must inform staff or call the school before pick up time. We will not send your child home if you do not inform staff of any changes. Therefore, please let us know in advance.

Punctuality & Absence

If your child is going to be absent, for whatever reason, please ensure that you ring the school office by 8.40am on 020 8573 3389 pressing **option 1** and leaving a message, stating your child's full name, class, and reason for absence.

Hygiene and Potty Training

Children should be coming into school without nappies and pull-ups. Please talk to us about any concerns so we can support you and your child to be nappy free. The local family hub can also support you with this. We can also provide you with a leaflet on potty training.

Labelling your child's belongings

Please ensure that your child's belongings are labelled so we can identify who it belongs to.

Thank you!
If you are celebrating Diwali, we hope you have a wonderful festival.
