Reading with your child

These are some questions you could ask your child about their reading book.

What do you think this book is about?

Can you find the authors name? Have you read any other books by this author?

What is an illustrator?

What does that word mean?

What can you do if you get stuck on a word? (Look at the picture/Say the letter sounds and blend them/Read on to the end of the sentence , then go back and think what would fit in and look right.)

Who are the main characters in the story?

Who is your favourite character? Why?

How do you think that character feels? Why? How would you feel if that happened to you?

Which five words would you use to describe this character and why?

Do you think this character is good/bad? Why?

If you could ask the character three questions what would they be?

What do you think will happen next?

How do you think the story will end?

Do you like how the story ended? Can you think of a different ending?

Can you retell the story?

What was the best bit?
