Hello Parents and Carers!

Our Learning

This Week

As always in Nursery it has been a very busy week! Lots of learning happening and lots of talking with our friends.

We have been enjoying learning about our new focus book 'We all go travelling by'.

We have been learning about all of the travelling you can do on a bus as well as using our imagination when saying I Spy.

In Phonics we have been learning our new sound and letter 'W'.

The children have been learning about the different types of transport we see and have been on

In Maths we are learning about 2D shapes and their properties.

Next Week

We will now look at a new focus book 'We all go travelling by.'

The children will look at the different ways we can travel especially when we use our imagination. As well as following a game of I Spy.

In maths, we will continue to recognise and name our 2D shapes. We will also look at the properties of the shapes, how many sides and corners.

Our focus nursery rhyme will be 'Jack and Jill'.

Please share this rhyme with your children using the link below.
