Hello Parents and Carers!

Our Learning

This Week

As always in Nursery it has been a very busy week! Lots of learning happening and lots of talking with our friends.

We have been enjoying learning about our focus book 'The hundred Decker Bus'.

We have been learning about all of the travelling you can do on a bus as well as using our imagination.

In Phonics we have been learning our new sound and letter 'j'.

The children have been learning about the different types of transport we see and have been on

In Maths we are learning about 2D shapes and their properties.

Next Week

We will now look at a new focus book 'We all go travelling by.'

The children will look at the different ways we can travel especially when we use our imagination. As well as following a game of I Spy.

In maths, we will continue to recognise and name our 2D shapes. We will also look at the properties of the shapes, how many sides and corners.

Our focus nursery rhyme will be 'Jack be Nimble'.

Please share this rhyme with your children using the link below.

General Notices

Thank you!

We would like to say well done to all of the children for their nursery performance. You worked so hard. Thank you, parents for your attendance and support.

Tiny Happy People

We are very excited to share with you a wonderful BBC website Tiny Happy People which supports Language and communication skills. Tiny Happy People can help you develop your child's language and communication skills, so they get the best start in life. Their ideas and activities are easy to build into your daily routine. They're quick and inspiring, but they're also based on expert advice and evidence, and are proven to help your child's development.

Language and Communication skills unlock literacy, building blocks of language development and support all children achieve well.

Over the next term we will be sharing resources in our weekly newsletters so keep an eye out for some great ideas- In the meantime you may want to explore yourself and you can find out more here:
