Hello Parents and Carers!

PM SESSION - Please collect your child at 2pm on Friday 1st of April.

We will be returning to school on Wednesday 20th April.

Our Learning

This Week

We have had a brilliant week and have continued to make the most of the lovely weather! The children have had opportunities to explore plant growth and healthy eating. This topic fits with our current focus story '**Oliver's Vegetables**'. Our cress seed pots went home this week, make sure to water them a little and please send pictures of their growth!

Children have enjoyed lots of activities in the garden including water play and finger printing!

We have been making lots of progress with our sounds and have consolidated our learning of 'c' and 'k', and introduced 'e'. Please make sure to keep practicing our sounds at home.

Next Week

General Notices

IMPORTANT:

Please continue to take precautions against coronavirus to help keep the children and Yeading Community safe. Thank you in advance for your support.

Nursery Reading Records & Picture Books

It is really important that children are reading with you at home and that you are recording this in their reading record provided by the school. These records should be put back in book bags so that teachers can read about their progress.

Please can you look after our books at home and when not reading them, keep them in your child's book bag, especially if you have little ones at home!

Health & Hygiene

Please ensure your child's nails are cut short and filed down.

We ask that you teach and show children how to properly clean their runny noses so that we can limit germs spreading within Nursery.

Punctuality & Absence

If your child is going to be absent, for whatever reason, please ensure that you ring the school office by 8.40am on 020 8573 3389 pressing **option 1** and leaving a message, stating your child's full name, class, and reason for absence.

Thank you 😊
