### **Hello Parents and Carers!**

A gentle reminder to parents to **form a line** outside the door so that Teachers are able to create a safe home-time for children.

### **IMPORTANT:**

**If your child or any member of your family displays any symptoms or if you have any concerns please do a Lateral Flow (LF) test. If your child has a NEGATIVE**

LF test please send them to school. If the LF test is **POSITIVE**, please book a PCR test <https://www.gov.uk/get-coronavirus-test> and contact the school immediately.

Our Learning	
This Week	Next Week
<p>Our focus story at the moment is <i><b>Owl Babies</b></i> by <b>Martin Waddell</b>. The children have thoroughly enjoyed looking through the story and discussing emotions.</p> <p>We also began our new programme ‘<b>WriteDance</b>’, which got the children using big movements to develop their physical skills needed for writing. The children really enjoyed this activity and we look forward to continuing this with them.</p> <p>The children have all been given whiteboards, which they can use to practice letter and name formation.</p> <p>We have also given out reading books and reading records. Please can you read and make a comment in these records once a week. We will change these books on <b>Tuesdays</b> and <b>Wednesdays</b>.</p>	<p>We will continue with our focus book. We will be doing lots more fun activities such as sequencing and creating actions to go along with the story!</p> <p>We will continue with our sound practice and continue with ‘s’ and ‘a’ before introducing ‘t’.</p> <p>The children will begin practicing for our Winter Show! We will be recording these performances for your viewing. Please make sure to practice the songs at home with your children (included in the next newsletter!).</p>

Take a look at the children creating their owls and our new display! ☺
