

There is a dinosaur
There is a dinosaur
Look, look, run, run, run

There is another one
There is another one
Look, look, run, run, run

There's one on the ceiling
There's one on the floor
There's one by the window
And one by the door

Clap your hands together
1,2, 3
Tell that dinosaur
You can't catch me!!

Hello Parents and Carers

Our Learning

This Week

The children are enjoying our new book **Oliver's Vegetables** by Vivian French, illustrated by Alison Bartlett. We are talking about healthy eating and different types of vegetables and fruit.

<https://www.youtube.com/watch?v=IhmqiEXe8dc>

In Phonics we are learning the letter 'm' for meatballs and using robot talk to sound out new words: map, mum.

The children had great fun on World Book Day, showing off their costumes and listening to stories.

Next Week

We are continuing to read Oliver's Vegetables and also learning new vegetable names and the days of the week.

We will be starting our growing season over the next few weeks!
Can your child please bring in a small plastic yoghurt pot to use for cress.

Science Week's Theme is **Time**. We will be watching our cress grow and looking at what happens each day. We will also be making sand timers.

We will be celebrating Red Nose Day next Friday 15th March. Children can wear a red item of clothing: t shirt, ribbon, socks and bring £1 for charity.

General Notices

Thank you for your kind donations on World Book Day which helps raise money to provide books and reading opportunities around the world.

Parent Meetings : it has been great to share the good news. All children have made progress since starting in September and it is so important to celebrate that with you and your child!

Mobile Phones

When you are coming onto school grounds to collect or deliver children, we would kindly ask you to refrain from using your phone. Thank you.

So, what is school readiness? Well, we see it as a measure of how prepared a child is to succeed in school, cognitively, socially and emotionally. This allows teachers to focus on developing skills and stops young children playing 'catch up', so they can develop their love for school and parents can be confident that their child is coping well with the transition.

Sadly, the last statistical data shows that in Hillingdon 1 in 2 children are 'school ready' compared to Lewisham where about 3 in 4 children are school ready - fingertips.phe.org.uk 2014. And the pandemic will not have improved this situation. So, we are offering all parents of young children, who are about to go to school for the first time a free course, details are:

- School Readiness (online course) - 10am to 12pm on Wednesday 28th February to Wednesday 20th March [LearnHillingdon - School Readiness CHO1049](#)
- School Readiness (online course) - 7pm-9pm on Tuesday 5th March to Tuesday 26th March ([Learn Hillingdon - School Readiness CHO1050](#))

All parents need to do is enrol here: [Course List | ontrack: Learner Hub \(tribal-ebs.com\)](#) and click on the blue ENROL button. We will then send them, via email, all the information they need to attend including the link to the class.

Thank you, Nursery staff ☺
