Friendship week/Anti-Bullying - next week we will be celebrating friendships and we will be taking part in various fun activities.

This week the children celebrated National Schools Meals. They were able to earn stickers for eating all their school dinners and even for just having a go at tasting some of it. We also had a wonderful time at the cinema. They children were

well behaved and we look forward to more school trips later on in the year.

This week the children read the story and were able to recall some to the characters from different stories and rhymes. The children were able to think about sharing their point of view about the behaviour of Goldilocks actions.

Next Week: We will be looking at letter writing. We will be writing a letter of invitation to a birthday party.

Maths

This week we have been revising the pairs of numbers that total 5, 6, 7, 8, 9 and 10 using a range of equations as well as pictures and part-whole models. Reinforcing fluency in part and whole models of numbers up to 10.

There are 10 altogether:
One part is 9
The other part is 1

Draw a line in each set of items to make the picture match the part part whole on its right.

Next Week: Next week we will be adding numbers but finding 10 first and adding the rest. Hence why fluency of pairs of numbers up to 9 is needed. (Crossing ten)

- Science:** Food chain
- RE** - Exploring beliefs and places of worship related to celebrations.
- Art** - Creating a piece of art based on celebrations.
- Geography** - The continents of the world.
- PE:** Dance

Important notices:

- **Phone-free zone** - Yeading Infant School is a phone-free zone. Please ensure phones are put away while collecting your child.
- **Nut allergies** - Just another reminder that we do not allow any nuts on school grounds including food that 'may contain nuts'

Have a lovely weekend!!
Year 2 Team
