Hello Parents and Carers!

Our Learning

This Week

As always in Nursery it has been a very busy week! Lots of learning happening and lots of talking with our friends.

We have been enjoying learning about our focus book 'Farmer duck'. The children have now learnt different actions to use when retelling the story. As well as talking about their favourite animal and explaining why.

In Phonics we have been learning our new sound and letter 'r'.

The children will look at the different areas you find on a farm and the animals that live there. We learned about the importance of being helpful to each other.

In Maths we are practising our subitising skills and recognising numbers from 1 to 10.

Next Week

We will continue to read our focus book 'Farmer Duck.'

The children will look closely at the pages showing the fields at the beginning and ending of the story. We will talk about how different the field looks in winter and summer. Observe seasonal changes over time in a local green space. We will learn about the importance of being kind to each other.

In maths, we will continue to recognise numerals to 10 and match correct number of object to each number.

Our focus nursery rhyme will be 'Old Mother Hubbard'.

Please share this rhyme with your children using the link below.
