English

In English we continued to explore our new book called 'Man on the Moon'. The children had a very exciting week as they used drama to imagine a visit to the moon! They wore some very

exciting postcards from the moon!

Next Week: The children will continue with their focus on 'Man on the Moon' and use it to learn about speech bubbles and how to use

speech marks.

Maths

This week we began our work on multiplication and explored multiplication as repeated addition.

Children learned about how to recognise, make, and add equal groups. They were also introduced to the idea of using the 'x' symbol in their multiplication sentences.

Next Week: Next week we continue our work with Multiplication using arrays. We will be focusing on the 2-, 5- and 10-times tables.

1 Complete the sentences.

There are _____ equal groups of 5 bananas.

There are _____ equal groups of _____ fish.

3

Complete the addition sentence to work out how many apples in total.

$$3 + \square + \square + \square = \square$$

Complete the multiplication sentence to work out how many apples in total.

$$\square \times 3 = \square$$

Science- Materials and their properties.

RE - The key beliefs of Islam

History - Space and the moon landing

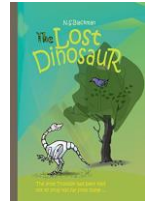

PE: Gymnastics

Coming up:

- 27th January - Dress up like a Pirate Day. Children can come in wearing red, black and white if they do not have a costume.

Highlights of our Learning:

We had an enjoyable visit from Nigel Blackman - an author and illustrator. He shared with us one of his own stories called 'The lost dinosaur'.

This week all classes got to do some cooking in the Cob Oven. We made some roasted apples with different flavours such as cinnamon and rosemary!

A big Well done to all the children who brought in their amazing discovery homework this week. The Children have worked tremendously to create some incredible pieces of work! We just had to share some wonderful examples. A special thank you to all parents for working so hard with the children.

Important notices:

- Cooking money - Please remember to give £1.00 towards cooking activities if you have not already done so. Thank you.
- **Reading** - Continue to log onto Bug Club and read books with your child. If you have any problems speak to the class teacher.
- **Tissues** - Please could you send in a box of tissue and wet wipes. Your donations will be greatly appreciated.

Have a lovely weekend!!

Year 2 Team
