Literacy

This week we have been creating story maps to sequence the main events in 'Lost and Found'. We have also explored speech bubbles and inferred what the characters are saying.

Next week we will be retelling the story of 'Lost and Found' by writing in full sentences and through illustrations. We will also be predicting what happens to the characters at the end.

Keywords: story, characters, plot, narrative, sequence, beginning, middle, end, illustration, predict, ending

Maths

This week we have been talking about 2D shapes. We have been working on our recognition of shapes, properties of shapes, sorting shapes based on these properties and making patterns using 2D shapes.

Next week, we will be talking about 3D shapes. We will be working on our recognition of 3D shapes, the properties of 3D shapes, going on a shape hunt sorting 3D shapes.

Keywords: shapes, 2D, circle, square, rectangle, triangle, pentagon, octagon, hexagon, corners, sides and properties.

Science:

This week we have been looking at the four different seasons - spring, summer, autumn and winter and the types of clothing we wear.

Foundation Subjects

RE - The Christmas Story

Geography - Climate Change - the importance of buying locally and growing local and seasonal products.

Phonics - Phase 5 sounds

Question of the week

What is your favourite animal and why?

IMPORTANT NOTICES

Christmas Jumper Day - children will be able to wear their Christmas jumper on the 10th December with a donation towards a charity.

This year we request that no **Christmas cards** from home are given in class, but we will be doing many fun Christmas activities to ensure the festivities continue!

After a very successful trip to the Harrow Vue Cinema, we will now be going to see the Jack and Bean Stalk Pantomime at Beck Theatre on Tuesday 14th December.

This week the children celebrated Friendship week/Anti-Bullying and enjoyed taking part in various fun activities. We made some lovely friendship bracelets and poems to remind each other how important it is to be a good friend.

If your child or any member of your family display any symptoms or if you have any concerns, please do a Lateral Flow (LF). If your child has a Negative LF test, please send them into school. If the test is positive, please book a PCR test [www.gov.uk.get-coronavirus-test](https://www.gov.uk/get-coronavirus-test) and contact the school immediately.

Have a good and safe weekend! Year 1 Team ☺
