This week we celebrated National Inter-Faith Week. We had a number of speakers throughout the week to come and share a little bit about the different faiths. The children created booklets and did some sorting

activities using different symbols and artefacts.

This week the children continued exploring poetry and everyone had a chance to create their own poem about fireworks. We focused on including **alliteration** (eg. roaring, red rockets) and rhyming words (eg. night, bright, sight etc.)

Next Week: We will start reading the lovely 'The Jolly Postman' book and revisit some well-known nursery rhymes whose characters appear in the book. We will also be writing a pervasive letter.

Maths

This week we have been sorting number sentences into different criteria and recognising number patterns.

Next Week: Next week we will be reinforcing fluency in part and whole models of numbers up to 10.

Can you work out the missing value in these 3 representations?
