

When dinosaurs expired
And left behind a bone
It might become a fossil
By turning into stone.

Hello Parents and Carers

Our Learning

This Week

Children have enjoyed drawing a Stegosaurus and learning more about dinosaurs.

Our focus book: Dinosaur Roar by Paul and Henrietta Stickland.

<https://www.youtube.com/watch?v=5MMiiXIFNZA>

In Phonics we are learning the letter 'n' for nut and using robot talk to sound out new words: nap, nod, nip.

Tooth brushing in class has been working well and our Hillingdon 'dentist' Sally has been very pleased to see the children practising these important skills.

Next Week

Our new book is Oliver's Vegetables by Vivian French, illustrated by Alison Bartlett

<https://www.youtube.com/watch?v=IhmqiEXe8dc>

We will be starting our growing season over the next few weeks!
Can your child please bring in a small plastic yoghurt pot to use for cress.

Parent Meetings have been going on all week and it has been great to share the good news. All children have made progress since starting in September and it is so important to celebrate that with you and your child.

General Notices

For your information

Attention Dads! Mother's Day Crafts will be taking place for children in Reception and their Dads on Wednesday 6th, Year 1 Thursday 7th and Year 2 Friday 8th from 2pm until 3pm. This session is for Dads and their children in these years.

World Book Day! Is Thursday 7th March!! This is an exciting day for all the children and staff to dress up as a book character.

On Friday 2nd February we took part in Number Day. Thanks to all your generous donations the school raised £373.76 for the NSPCC.

So, what is school readiness? Well, we see it as a measure of how prepared a child is to succeed in school, cognitively, socially and emotionally. This allows teachers to focus on developing skills and stops young children playing 'catch up', so they can develop their love for school and parents can be confident that their child is coping well with the transition.

Sadly, the last statistical data shows that in Hillingdon 1 in 2 children are 'school ready' compared to Lewisham where about 3 in 4 children are school ready - fingertips.phe.org.uk 2014. And the pandemic will not have improved this situation. So, we are offering all parents of young children, who are about to go to school for the first time a free course, details are:

- School Readiness (online course) - 10am to 12pm on Wednesday 28th February to Wednesday 20th March [LearnHillingdon - School Readiness CHO1049](#)
- School Readiness (online course) - 7pm-9pm on Tuesday 5th March to Tuesday 26th March ([Learn Hillingdon - School Readiness CHO1050](#))

All parents need to do is enrol here: [Course List | ontrack: Learner Hub \(tribal-eps.com\)](#) and click on the blue ENROL button. We will then send them, via email, all the information they need to attend including the link to the class.

Thank you, Nursery staff ☺
