Fairtrade fortnight

The National Fairtrade Fortnight is taking place this week. Fairtrade is about better prices, decent working conditions, local sustainability, and fair terms of trade for farmers and workers in the developing world.

Pupils will choose a Fairtrade product in their cob oven session. Please show children the Fairtrade logo on products and have a discussion with your child about it.

For more information, please look at the website

Growing

Inside the seed,
All bundled up tight,
A tiny plant grows,
Needing water and light.

I'll plant it in the soil,
Let it catch the sun's glow,
Then water it gently,
And watch it grow!

Highlights of the Week!
