Literacy

This week we have been learning about settings and the South Pole. We have been researching facts about Antarctica.

Next week we will be sequencing the story of 'Lost and Found' and making a story map.

Keywords: Setting, South Pole, Antarctica, sequence, story map, main event, first, next, then, after

Maths

This week we have been talking about subtraction and we have started to use the subtraction symbol. We have been using number lines to practice the counting back method and finding the difference between groups of objects.

Next week, we will be talking about 2D and 3D shapes. We will be focussing on the properties and how we can sort shapes into different groups.

Key words: 2D, 3D, vertices, corner, sides, properties, flat.

Science:

This week we have been looking at the four different seasons - spring, summer, autumn and winter.

Foundation Subjects

Geography - Climate change

Art/DT - penguins - Friendship

Cooking - Winter vegetables and the herb thyme

Trip to cinema

IMPORTANT NOTICES

- **Phone-free zone** - Yeading Infant School is a phone-free zone. Please ensure phones are put away while collecting your child.
- **Park and stride** - Please park away from school near the church or park when dropping off your child and walk into school.
- **Bug Club** - Please ensure your child is logging onto Bug Club and reading books on a regular basis.

CLIMATE CHANGE - In Geography, we have been learning about climate change. Next, we will be discussing how the transportation of food products can cause carbon dioxide emission. We would like each child to bring to school one product that has been imported from a different country. It is crucial that the product is labelled so that children can find out the Country of origin of each product independently.

Friendship week/Anti-Bullying - next week we will be celebrating friendships and we will be taking part in various fun activities.

Have a fun and safe weekend!

Year 1 Team 😊

Question of the week

What is the best book you have ever read? Why?
