This week we celebrated Christmas jumper day and thank you so much for all your generous donations.

In English we began to write a retell of the story of Cinderella. The children were being encouraged to use key vocabulary from the text as well as being challenged to use other synonyms to engage their audience.

Next Week: The children will be reading the Christmas story. The children will be doing a range of activities as we draw close to the end of another beautiful term.

Maths

Write <, > or = to compare the amounts.

- a)   50 pounds
- b) 20 pounds  
- c)   10 pounds

This week we have been learning about money, both coins and bank notes. We have learned how to order the coins according to value and how to count money efficiently. The children now understand the relationships between some numbers e.g.

2p - count in two's - 5p count in 5's and because they know this:
Then they also know
I can count 50p coins in 5's and 20p coins in 2's

Next Week: Next week we will continue with learning about money.

Science: Assessment

RE - Exploring beliefs and places of worship related to celebrations.

Art - Creating a piece of art based on celebrations.

Geography - The continents of the world.

PE: Dance

Highlights of our Learning:

We had a lovely time at St Edmonds Church where we listened to the Christmas story.
