Hello Parents and Carers

Our Learning

This Week

The children are still enjoying **Oliver's Vegetables** by Vivian French, illustrated by Alison Bartlett.

We are talking about growing things from seeds and learning about vegetables and even trying new ones like rhubarb!

<https://www.youtube.com/watch?v=IhmqiEXe8dc>

In Phonics we are learning the letter 'g' as in grass, goat and frog.

We celebrated spring flowers by drawing and painting them and learning their names and parts: root, stem, leaf, bud, petal.

Next Week

Our main focus is Easter and learning about Spring. The children will be finding out about baby animals and learning new vocabulary: lamb, piglet, duckling, chick.

We will celebrate with an Easter Bonnet Parade and making Easter treats.

Parents:

Easter Egg Competition please bring your child's work in so they can be entered.

Please make an **Easter Bonnet** with your child for them to wear at the Parade.

Your child will be given some Easter homework sheets to do over the break.

We enjoy our Reading sessions with you!

General Notices

Easter Holidays Our last school day is Thursday 28th March, finishing at 2pm. Children return for the Summer Term on Monday 15th April.

Our new natural environment! You may have noticed some changes to our Nursery. We are using more natural resources (less plastic) and calming colours. This is a whole school change to create a more holistic nurturing environment. Photos to follow soon!

Mobile Phones

When you are coming onto school grounds to collect or deliver children, we would kindly ask you to refrain from using your phone. Thank you.

So, what is school readiness? Well, we see it as a measure of how prepared a child is to succeed in school, cognitively, socially and emotionally. This allows teachers to focus on developing skills and stops young children playing 'catch up', so they can develop their love for school and parents can be confident that their child is coping well with the transition.

Sadly, the last statistical data shows that in Hillingdon 1 in 2 children are 'school ready' compared to Lewisham where about 3 in 4 children are school ready - fingertips.phe.org.uk 2014. And the pandemic will not have improved this situation. So, we are offering all parents of young children, who are about to go to school for the first time a free course, details are:

- School Readiness (online course) - 10am to 12pm on Wednesday 28th February to Wednesday 20th March [LearnHillingdon - School Readiness CHO1049](#)
- School Readiness (online course) - 7pm-9pm on Tuesday 5th March to Tuesday 26th March ([Learn Hillingdon - School Readiness CHO1050](#))

All parents need to do is enrol here: [Course List | ontrack: Learner Hub \(tribal-eps.com\)](#) and click on the blue ENROL button. We will then send them, via email, all the information they need to attend including the link to the class.

Thank you, Nursery staff ☺
