English

In English this week we read the story "Katie in London". Our focus was describing a setting using the five senses. The children also began creating their plan for the diary entry from the perspective

of the Lion. Next week we will begin writing the diary entry over a few days to make sure the children have enough time to be creative and enjoy their piece of writing.

Home learning: Please continue to work with your child to use their spelling words in sentences and they should include adjectives and adverbs.

Maths

This week the children continued to revise a range of strategies to solve a different equations and number stories in preparation for the end of year national assessment. Next week we will be learning about 3D- Shapes with a focus on their properties.

Home - learning practise: Continue to support your child with learning their times tables and writing down all the bonds of numbers that total 10 - 20 and 100 (focusing on the relationships e.g $1 + 9 = 10$ so $1 + 19 = 20$ and $9 + 11 = 20$ so $10 + \underline{\quad} = 100$)

Science- Living things

RE - The key beliefs of Islam.

History - The Great Fire of London

P.E - Net games

Question of the week

Why is important to look after the environment?

Place **2Be** have some fantastic resources written by experts covering a wide range of popular parenting topics. Please take a look and spread the word as there is something for everyone! Thanks for supporting us, support your children!
