If your child or any member of your family display any symptoms or if you have any concerns, please do a Lateral Flow (LF). If your child has a Negative LF test, please send them into school. If the test is positive, please book a PCR test [www.gov.uk.get-coronavirus-test](http://www.gov.uk/get-coronavirus-test) and contact the school immediately.

Literacy

This week we have been sequencing and retelling the story of 'Lost and Found' using full sentences.

Next week we will be innovating the story of 'Lost of Found' and changing the characters and settings.

Keywords: Setting, character, story, plot, sequence, innovate

Maths

This week have been talking about fact families within ten. We have been writing addition and subtraction number sentences for these fact families. We have used ten frames, Rekenreks and part whole models.

Next week, we will be looking at what makes an even and odd number. We will be focussing on how even numbers are linked to doubling.

Keywords: fact families, even, odd, doubles.

Science:

Which animals hibernate or migrate - The Winter Season.

Foundation Subjects - cross-curricular

Year 1 will be practising their Year 1 Christmas Sing Along story.

RE - The Christmas Story

Phonics - Phase 5 sounds

Question of the week

Should children have to wear a school uniform? Why?

IMPORTANT NOTICES

Tissues and wet wipes - as we approach the winter season, please could we ask for donations of tissues and wet wipes for the Year 1 classes.

Discovery homework is due on the 6th December - please support your child to complete this project work and ensure it is given to your class teacher on that day.

Christmas Jumper Day - children will be able to wear their Christmas jumper on the 10th December with a donation towards a charity.

Jack and Bean Stalk Pantomime at Beck Theatre on Tuesday 14th December - normal school day.

Christmas play - Please practise the songs and lines that your child has been given for the Year 1 Christmas sing-a-long. Details about performances to follow.

WEEKEND CHALLENGE - UK/Nepal CLIMATE CHANGE SUMMIT

In Year 1, we have discussed ways to tackle climate change. We have agreed that buying local products and growing our own fruits and vegetables could help us reduce our carbon footprint substantially.

All children are invited to design a **persuasive poster** on one of the following topics: **Either 1. Growing seasonal fruits and vegetables, or 2. Buying local products.** The children's posters will be shared with the other Year groups and our school partners in Nepal on Friday 10th December during a Zoom Summit on Climate Change, where children will make pledges on how they are going to contribute on tackling global warming. Posters should be handed in by **Wednesday 8th December.**

Have a good and safe weekend!

Year 1 Team ☺
