and Instagram account

https://instagram.com/yeading_infants

General

This term we will be introducing 'WOW' stars for children in Reception. Examples of these will include your child's wider achievements at home such as sleeping in their own bed or learning to ride a bike. Please return your child's WOW stars to your class teacher and feel free to ask for another star to support with your child's achievements at home.

IMPORTANT NOTICES

- **Timings for Reception-** 8.45 to 3.10
- **Phone-free zone** - Yeading Infant School is a phone-free zone. Please ensure phones are put away while collecting your child.
- **Park and stride** - Please park away from school near the church / park when dropping off your child and walk into school.
- **Nut allergies** - Just another reminder that we do not allow any nuts on school grounds including food that 'may contain nuts'

Reading

Children should be reading for 10 minutes per evening. Please ensure you have listened to your child reading and write a comment for your class teacher to review.

Please do not forget to access Bug Club if you need extra reading books, the children have logins stuck into their Digital Passports and their reading books.

<https://www.activelearnprimary.co.uk/login?c=0>

Literacy

This term, our class literacy book will be 'The Very Hungry Caterpillar' by Eric Carle.

<https://www.youtube.com/watch?v=75NQK-Sm1YY>

Homework - Please ask comprehensive questions about the caterpillar with your child, such as 'Why do you think the caterpillar had a stomach ache?'

Phonics

We have now started our Phase 3 letter sounds:

j,v,w,x,y,z,zz,qu,ch,sh,th,ng,ai,ee,igh,oa,oo,ar,or,ur,ow,oi and ear.

Please practise Phase 3 sounds at home and blend these sounds to make words. For example : j-a-m, v-a-n, w-e-b etc.

Homework - It is very important that the children read at home to develop their writing and comprehension skills. Please practice letter and number formation at home. Please make sure your child's name is clearly marked on any homework returned to your class teacher.

Thank you.

Maths

This week we continuing to write numbers above 15, and describing 2D shapes. Please remind children to name 2D shapes as well as knowing the number of sides.

Homework - Please continue to practise writing numerals above 15 and name 2D shapes.

You could play a game with 2D shapes and a bag that your child cannot see through:

1. Hide a shape in the bag and ask your child to feel the shape.
2. Ask your child to describe the shape as best they can and try to work out what it is.
3. Once your child has told you what shape they think it is, take it out to see if they were correct.

Rhyme of the Week: Caterpillar Life Cycle Song

(Sing to the tune of 'Mary had a little lamb'.)

A caterpillar has 12 eyes,
Has 12 eyes, has 12 eyes.
A caterpillar has 12 eyes,
So that he can see!

A caterpillar chews on leaves,
Chews on leaves, chews on leaves.
A caterpillar chews on leaves,
To get some energy!

Now he rests in a cocoon,
A cocoon, a cocoon.
Now he rests in a cocoon,
And becomes a butterfly!!

Parents Meetings-continued ...

These will continue throughout the week of 12th November, if you have missed your appointment, please speak with your teacher to book an additional appointment.

Thank you !

The Reception Team
