Each week we will have a new Nursery rhyme for the children to learn! Please make sure you practice at home 😊

## Two Little Dickie Birds

Two little dickie birds  
sitting on a wall.  
One named Peter,  
one named Paul.  
Fly away Peter,  
fly away Paul.  
Come back Peter,  
come back Paul.

## Hello Parents and Carers!

Thank you for continuing to be patient in waiting for the parents in front of you, and for following social distancing rules. A gentle reminder to parents to form a line outside the door so that Teachers are able to create a safe home-time for children.

It has been lovely for Butterfly Class staff to speak to parents about your children and how they have settled into Nursery so far. Ladybird Class staff are looking forward to speaking to their parents next week when we continue our phone calls.

## Our Learning

### This Week

Due to such lovely mild autumn weather, all the children have enjoyed lots of activity outside, including some walks to our **Discovery Garden**. Children have been listening to poems about animals from **Farmyard Hullabaloo** and learning more about animals from farms!

The children have begun practising their first letter sound 's'. We have also been making shape pictures and are learning to recognise the numbered dots on a dice.

### Next Week

It is **Healthy Eating Week** and the children will be roasting vegetables and trying them!

It is also **Anti-Bullying Week** (or Kindness Week for Nursery children) and Friday is **Odd Socks Day** when we will be collecting for Children in Need.

**Children can wear odd socks for fun!**

We will be sending home whiteboards for the children to begin practicing their letter formation and their names. Please make sure to encourage this at home!

Take a look at our fabulous firework displays from artwork following Diwali celebrations and Bonfire Night!

## General Notices

**If you haven't already applied for Reception places, please do so as soon as possible following the link on the back of this letter.**

Please continue to support children to take their own coats off. Watch this video for the '**Coat Trick**' to teach children how to put their coat on by themselves: <https://www.youtube.com/watch?v=-FaxBoCvNqM>. Please practice at home!

**ALL water bottles must be labelled when coming into the classroom.** Please ensure you check that your child has brought the right water bottle home with them.

### **Punctuality & Absence**

Please continue to make sure children have high attendance in Nursery. If your child misses the start of their session they are missing out on important learning. We would also be grateful if you could please come to collect children on time.

If your child is going to be absent, for whatever reason, please ensure that you ring the school office by 8.40am on 020 8573 3389 pressing **option 1** and leaving a message, stating your child's full name, class, and reason for absence.

### **Home Time**

Your child's **safety** is **extremely** important to us. We ask that you continue to be patient when we are calling your children's names. We also ask that all parents and carers make a **line** at the door, to ensure that all of the children are sent home **safely**. We will also not be able to send your child home if you are using your mobile phone. We will not send your child home if you send a friend to collect your child if you have not informed the office or a member of staff before the end of the session. Therefore, please let us know in advance.

Thank you,  
Nursery Staff ☺
