There's Sunday and there's Monday,
There's Tuesday and there's Wednesday,
There's Thursday and there's Friday,
And then there's Saturday.

Reading

Please make sure you read with your child every day.
Remember to log into Bug Club!

Literacy

This week the children retold our focus story: 'Jasper's Beanstalk'.
Next week the children will be editing the work done this week, putting in capital letters, finger spaces and full stops and adding more interesting words.

Literacy Homework - We have noticed that many children have problems forming clear letters so we will be focusing on letter formation for the next few weeks.

Phonics

This week we went over these sounds: short **oo**, long **oo**, **ar** and **or**.

Next week will go over these sounds: **ur**, **ow**, **oi** and **ear**.

Children will be encouraged to blend these sounds when reading and writing words and sentences.

Maths

This week we went over the composition of 5, and investigated time.

Next week we will look at the composition of 9 and 10.

Homework - Writing number bonds for 5, and putting the days of the week in order.

Remember to log into Doodle!

Discovery Homework - Making a poster for Science Week.

We celebrated World Book Day yesterday.

Lots of stories were shared and many staff and children had fun dressing up as their favourite story character.
