

This year Yeading Infant and Nursery School is proud to be working towards the **Leading Parent Partnership Award**. This is a new and extremely prestigious national award where schools who want to demonstrate their absolute commitment to working with parents can achieve recognition for this.

More details of this are available on the website and from talking to Ms Malik who is the lead co-ordinator. We hope that everyone will support our work to gain this award, and from the recent visits from Hillingdon Borough, the unique and effective partnership we share with all our parents and carers was recognised as a real strength.

The LPPA Objectives are set out here:

The Leading Parent Partnership Award Objectives

Objective 1: The school demonstrates a commitment to work towards achieving the LPPA

Objective 2: The school makes and implements effective plans to achieve and maintain the LPPA

Objective 3: The school is a welcoming, communicative and friendly place for parents

Objective 4: The school promotes the awareness and partnership of all groups of parents in supporting their children's learning and developing their own learning. In addition, the school holds and actively promotes a programme of opportunities and events for joint parent and child participation.

Objective 5: The school provides a good induction for all new parents

Objective 6: The school provides parents with relevant and user- friendly guidance and information to help them to support their children's learning

Objective 7: The school produces and implements parent- friendly policies to establish effective home- school links and to improve children's attendance, punctuality, progress and positive participation in school.

Objective 8: The school provides good support for all parents as their children as their children move through or leave the school.

Objective 9: The school summarises its achievements against the LPPA objectives and outlines its future plans.

Achieving the LPPA means we have:

- Ensured the attendance and punctuality of pupils at Yeading Infants is good or better.
- Ensured the behaviour of pupils continues to be Outstanding
- Ensured that pupils progress is Outstanding.
- Ensured the percentage of parents attending our consultation events is high.
- Ensured number of parents asked into school to discuss pupils' poor behaviour remains very low.
- Ensured our local community and its diversity will be reflected in levels of parental involvement in our school.
- Ensured number of parents attending training and support sessions will be as high as is possible.
- Ensured that the number of parents actively involved with the work of our school remains very high.
- Ensured that a wider range of effective home-school links will be in place.

LPPA provides a challenging framework to enable schools to strengthen their partnership with parents and carers. It is a developmental process which, through the involvement of parents, aims to enhance children's life chances at all stages from nursery to secondary. LPPA supports the delivery of an enriched extra-curricular programme. The Award is a key tool for school self-evaluation, complements the standards required by Ofsted, Chartermark, Investor in People and other national awards and provides ongoing evidence relevant to the school's Self Evaluation Form (SEF).
