

KS1 Discovery Homework

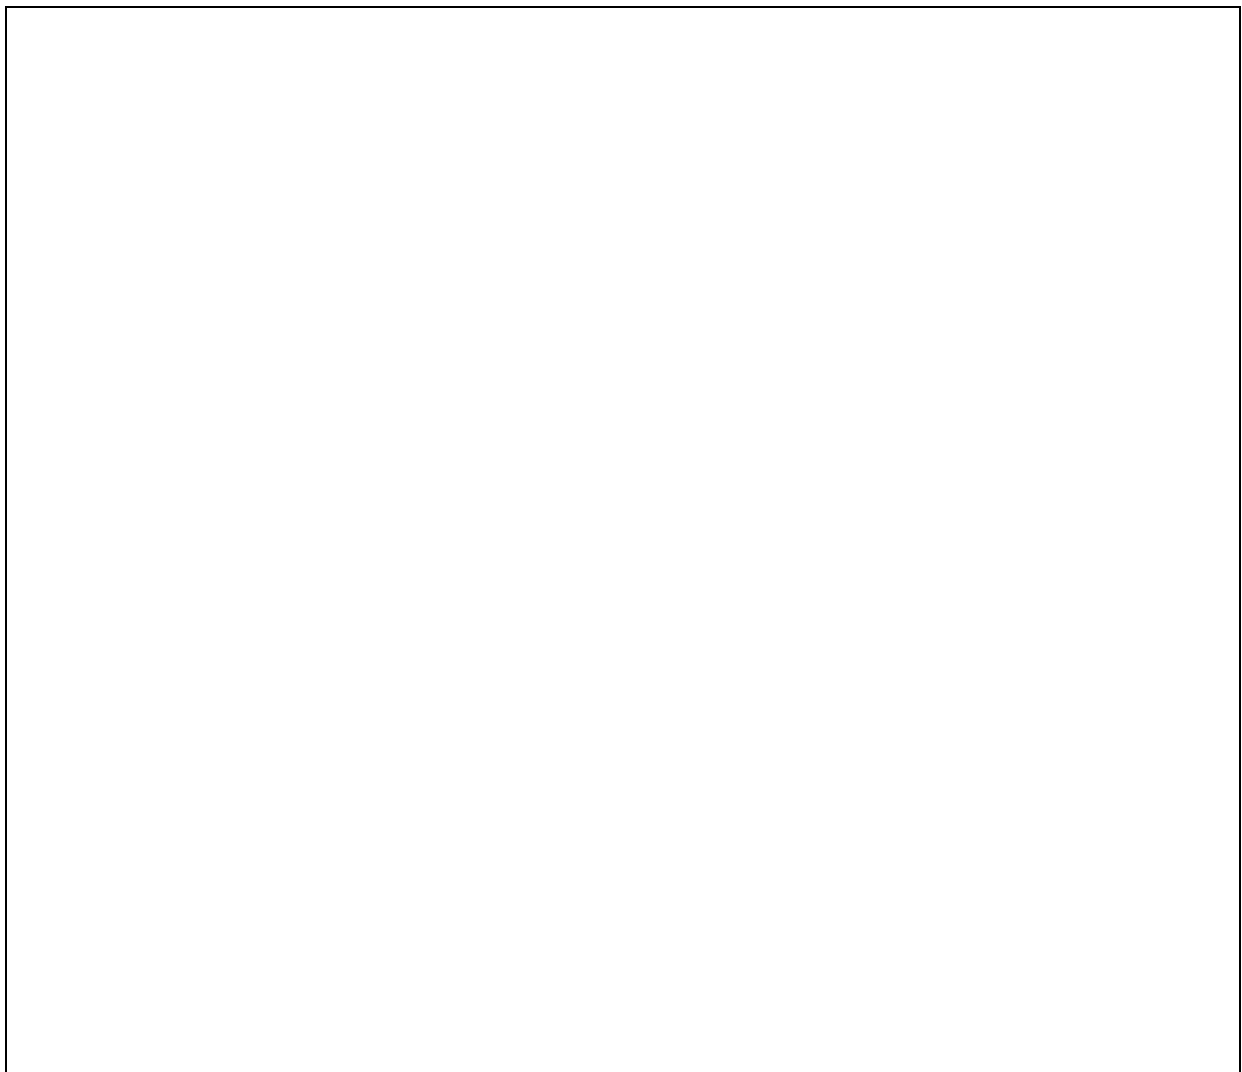

Hand in date: 12 July 2019

Subject: Traffic safety

After the meeting with the Y Team and the assembly by Mrs Malik, we would like you to create a poster to encourage parents not to park outside the school gates.

You can be creative as you like. Remember to use questions for adults to think about and reasons for not parking so close to the school entrance.

Remember think safety first, health and our environment. The winners will have their poster put on the website and a banner created and hung outside our school gates.

A large empty rectangular box with a thin black border, intended for the student to draw their poster. The box is currently blank.
