

World Mental Health Day ... 10th October

WEAR YELLOW - The children can come into school wearing one item that is yellow to mark the occasion. We will be joining this important day with a variety of activities designed to promote mindfulness and well-being. Parents, here's some ideas for you to try on the day... Can you think of 3 things that you are thankful for? Have a walk around your local park.

Contributions

Thank you to all parents who have contributed towards donating £1 for cookery. If you have not already donated £1 cooking money, please give this to your class teacher.

Junk Modelling

We still need donations of cardboard packages for children to create and build models. Please ensure packages have not previously contained nut substances.

COLLECTING INFORMATION

Timings for Reception are 8:45 – 3:10.

Where a person other than a child's parent is collecting a child from school, we need to have their name, phone number and collecting password in advance.

Harvest Festival

Thank you for your donations of food items to support our 'Harvest Festival' celebration.

National Poetry Day

National Poetry Day was very successful. Each Reception class recited a poem to the other Reception classes. Children thoroughly enjoyed reciting poetry at school. Thank you to all parents who supported with this at home.

Breakfast club is available for children to attend from 8 am. Please enquire at the school office.

Reading

Please make sure reading books and records are in school every day, as staff try to listen to children read as much as possible.

Topic

This term our topic is - **All About Me.**

Ask your child to speak about the things they like about school: favourite subjects, and things they like about school etc.

Literacy

This week we have been learning about our favourite part of the story. Next week, we will be learning to hear and write the initial sounds of the character in the story.

Homework - Please complete the given homework worksheets

Phonics

This week we have been looking at letter sounds ck, e, u, and r. Next week we will be moving onto Hh, Bb, Ff and FFff

Homework - Continue to encourage your child to write their name (independently), starting with a capital letter. Please practise our level 2 phonic sounds every day.

Maths

This week we have been learning to form our numbers 0-10 and above. Next week we will be learning 1 more than a given number.

Homework - Please continue to practise forming numbers with your child at home. We have noticed some children are still forming numbers back to front.

ORACY - why talking to your child matters!

At Yeading Infants, we encourage the children in the Early Years to find their voice to help them learn. We use the ShREC approach all about listening to every child and supporting meaningful conversations. You can read more about what we do below:

Question of the week
What is your favourite book?

Thank you!
