### My Butterfly

You crawled out from a tiny egg  
With a great big appetite.

You ate and ate so many leaves  
Until you could not bite.

You hung down from a little branch  
And formed a chrysalis to grow.

You evolved into a butterfly.  
I hate to let you go!

Please make sure you read with your child every day and sign the reading record book. Books should be brought to school every day. They will be changed every Monday and Thursday, but this will only happen if we can see that the books have been read.
