We enjoyed talking about our favourite vegetables. We also started planting flower and vegetable seeds in our Nursery garden.

Thank you to those parents that have already kindly donated seeds to us.

In Phonics we have been learning the letter 'o' with lots of fun activities to encourage interaction and mark making. Please see the guidance sheet on the back of the newsletter to show you how we teach this sound.

In maths, we recognised numerals to 5 using objects. We introduced the number 6, looking at ways of representing the number. 6 bears, 6 pencils.

Next Week

Nursery will be taking part in Science Week. Each day we will be exploring a different experiment or activity related to the Science week topic of 'curiosity'.

As part of Science Week we will be discussing Colour changing

What will happen to the water?

We will reading the story of 'The boy and the rainbow' PPT.

Which colours did he see?

What can you think of that is that colour? What happens if two colours mix together?

Please see the link below to share this story with your child at home.
