## Hello Parents and Carers!

### Our Learning

#### This Week

Lots of exciting activities have been happening in Nursery this week including:  
all the children made little Easter nests. They helped to stir the mixture and spoon it into a paper case.

The children enjoyed their Easter parade.

Thank you parents for encouraging your child to design and make their Easter Egg and bonnet. It was a very hard task to choose a winner!

In Maths, we talked about and looked at different heights and lengths of objects.

In Phonics we have been learning the sound 'e' with lots of fun activities to encourage interaction and mark making. Please see the guidance sheet on the back of the newsletter to show you how we teach this sound.

#### Next Week

Over the Easter break is an ideal time to help your child prepare for the last term of Nursery moving into Reception.

Please practise:

- Name writing
- Recognising numbers to 5 and then 10.
- Counting objects to 5 and then 10.

Please also see the website Tiny Happy People for activities to support your child with their communication and language development.

We hope the weather is good and you can also enjoy the outdoors and give your children the opportunity to walk, run, and explore the world around them.

Remember that Yeading Library is always worth a visit with your child and help to give them a love of books and reading.
