

Yeading Infants News

DECEMBER NEWSLETTER

2023

Welcome to the December edition of the newsletter! It has been wonderful to see the progress the children have made this term. Despite the difficulties of this term, which you would have read about in the letters sent home, the staff and children have shown immense resilience and fortitude and I am very proud of everyone.

I have been visiting classes with Mrs Malik and Mrs Cheema and we have all been super impressed with the new skills and learning the children are sharing with us. It is very clear that children are being supported at home with their learning.

I would also like to extend my heartfelt thanks to all the parents and carers who have been supporting the children with learning their lines and songs for the Christmas Performances. The children tried their very best for a tremendous performance and the staff have been equally hard working in helping the children put on a fabulous show! It is wonderful to see the children growing in confidence and the school community coming together. Speaking of which we have also been selling Fairtrade biscuits which the children made in class and then sold to parents and carers.

As is tradition Year 2 children went to the Beck theatre to watch Beauty and the Beast watching and singing along to a thoroughly enjoyable live performance of a classic. Going to the theatre is a delight for the children and a wonderful opportunity, which they will remember for many years to come.

Please continue to practice Doodle and Bug Club at home. Now is the perfect time to spend time reading and writing as well as practicing maths through the winter break. The children will be developing their language skills in learning so please encourage lots of conversation about what they have been doing so they continue to build confidence.

I would like to take this opportunity to thank you and our Governing Body for their ongoing support and wish you a restful and safe holiday! To all our families celebrating Christmas, a very Merry Christmas to you all!

Best wishes for the New Year!

Christmas Jumper Day

Very happy to say that through the generous donations we have received £367 for Save the Children donations from wearing Christmas jumpers. Thank you to all the families who donated!

Beck Theatre

Year 2 children went to see *Beauty and the Beast* at the Beck Theatre last week and the children could not have been more thrilled. Visits to the theatre form a vital part of the rich curriculum that we offer and support children in understanding fairytales better. Performances such as this introduce children to language and the wider curriculum supporting them in their creative writing back at school.

Christmas Shows

A huge thank you to all our talented children and staff in each year group who put on arguably some of the best performances we have seen after the pandemic! In between learning the children have been working hard rehearsing their lines and acting and I am sure you were as wowed as we were for their efforts! Performance is an integral part of the learning and as such the children seek to learn lots about themselves and build self esteem. Thank you to Paramjit Chander from Yeading Library and Vanessa Thornborough for visiting us to watch the shows! All your support is greatly appreciated!

My name is Arjun and
I am from Amber class.
I am part of Eng
southall lions football
Academy. I am a
team player and work
well with my team mates.
I have learnt new skills
like ravelino turns. I play
matches with my team
and I have scored
four goals. When I
grow up I want to
play for Liverpool
and England.
