Headteachers' Message

Welcome to this month's newsletter! As the weather gets colder, please make sure your children have the appropriate warm layers on! It has been a busy month with lots of children making progress and trying their best not only in class but also in homework the teachers have been sending home. For those children who have been making that extra special effort, I have been delighted to have High tea and cake with children who have been chosen by their teachers, showing

great learning and behavior! I look forward to welcoming more children to have a special hot chocolate with me over the next couple of months and Year 1 to join me in the new year!

I was delighted to see so many of you at the Keep Fit breakfast! Children have been buzzing about being healthy and active even in the cold weather! We have also participated in National Parliament Week where the children have had a go VOTING for their favourite dessert, to be made this week! It has

been a great experience to vote and see the impact of democracy! Staff have been working extremely hard in class to support the children in achieving their targets. It is so clear to us who has been reading from home and I wanted to take this opportunity to thank all the parents and families who are working with us to help the children have the very best start in life.

I look forward to seeing you all over the next couple of weeks at the Christmas Concerts!

Mrs Ahluwalia

Good News in Brief.....

Thank you to all children and families who helped the Children in Need charity raise £270.67 for those less fortunate and supported a National event which we participate in every year!

WELLBEING— As part of our ongoing work on wellbeing and emotional development we are supporting the children in practicing mindfulness breathing and regulating their emotions so that they can be on the Green Zone ready for learning. Find out more here:

[http://www.rle.sd23.bc.ca/ProgramsServices/Zones/Documents/Zones%20of%20Regulation%20Parent%](http://www.rle.sd23.bc.ca/ProgramsServices/Zones/Documents/Zones%20of%20Regulation%20Parent%20)

Save the Date! Don't forget to wear your Xmas jumpers on Thursday 8th December! Bring in a donation to support Save the Children! Any donations welcome!

Christmas Productions 2022!

We aim to ensure a generous pinch of our usual jolliness and creativity in each and every performance! Please look out for more information in your child's weekly newsletter! **This year due to space restrictions, buggies and prams will not be allowed in and please arrange for children under 3 to be kept at home.**

Keep Fit Breakfast!

Keeping fit and healthy is what we encourage at Yeading and this month Mrs Siyani and Mrs Sellick organised a free breakfast for everyone who walked, scooted or biked to school. Despite the blustery weather so many families turned up to enjoy the hot chocolate and breakfast as well as keep fit. Children were excited to share a breakfast with their friends and enjoyed a chat over a little bit to eat. It was a wonderful atmosphere and all the children and families who came by had a thoroughly lovely time.

Friendship Day!

United against Bullying! Of course we are!

At Yeading we are extremely proud to be a caring school and we always take the time to look after each other. We have been looking into being better friends and taking part in activities in class and in the

playground which supports this. Children have been learning about what they can do to be kind and learning how being a good friend can really change someone's day. Thank you also to Mrs Thornton for organising such an important activities!

Happy Smiles!

We have been supporting the children in Reception through our supervised brushing programme. Children have been learning all about the importance of brushing and how to brush properly. We have been helped by Sally MacGregor from the NHS Whittington

trust. Colleagues from the provider have even worked with some of our Reception children and staff to make an educational video for other educational settings about how to use the supervised brushing programme in school.

Notices

Polite Notice

Please can we remind all parents who are parking their cars on Carlyon Road and surrounding roads NOT to park in front of our neighbours driveways where there is a dropped kerb or complete turns in the middle of the road. It is important that we park responsibly and drive carefully to ensure courtesy to our neighbours and safety of all pedestrians. Many thanks for your co-operation.

Car Park

A reminder for all parents and carers NOT to walk through the car park. Cars are pulling in and reversing all the time and it is very difficult for drivers to see small children as they run into the playground unexpectedly. SAFETY is our primary concern and we would like to say a huge thank you to all parents and carers who are using the pedestrian gates at all times.

Winter Warmers

As the cold weather sets in, may we remind families to ensure that their children are suitably dressed for the cold. This includes, vests, warm coats, hats, scarves and gloves. All items should be clearly labelled with the child's name and class. Thank you for your co-operation in this matter.

Notable November at Yeading...

Here's a handy reminder about Bug Club which we are using to support reading!

Welcome to Bug Club

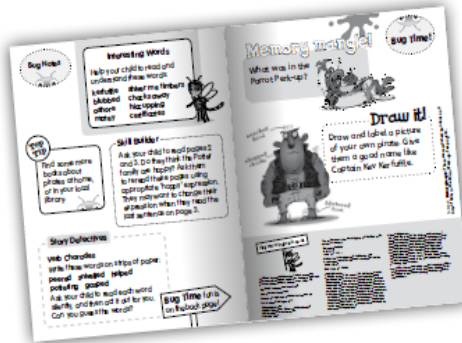

Dear parent or carer,
Our school has recently acquired a reading programme called **Bug Club** that we'd like to share with you. Below you will find key information about the scheme and how you can get involved. We hope that you and your child will love these books and enjoy reading them at home.

What is Bug Club?

Bug Club is a finely-levelled reading scheme, which ensures that all children can find books at exactly the right level for them. What's more, there are online versions for every printed title and a personalised website for each child.

Using the printed books

Inside every printed book there are notes to help you make the most of reading with your child.

Inside Front Cover: for younger children, these notes identify difficult words with which children may need help and give ideas and strategies to help you feel confident that you know how best to help. For older children, the notes are intended to deepen each child's understanding of the book. They provide background information about the time or place the book was written or sometimes information about the author or illustrator.

Inside back cover: these notes suggest puzzles and challenges that help children think about their reading. These include 'Find it!' activities that encourage children to revisit the text; 'Share it!' tasks that may involve making or writing something; and other tasks that offer ideas for further reading.

Using the online reading world

If you have access to an internet connection, your child can enjoy reading **Bug Club** books online as well as in print. Each child has a unique homepage, and can log into it by following these steps:

Pupil homepage

1. Go to www.activelearnprimary.co.uk
2. Enter the login details.
3. Your child's homepage will appear.

SCATTERGORRIES

- CHOOSE A RANDOM LETTER
- START A 30-SECOND TIMER
- FILL IN THE ANSWERS BELOW USING WORDS THAT BEGIN WITH YOUR CHOSEN LETTER

Anything a pet would eat

E.G. Snails

Type of pet

E.G. Snake

A pet sound

E.G. Squeak

Oh no, someone has left the bird cage open and the little blue birds have escaped. How many can you see?

Answer here

Can you draw a line between the clue and the relevant pet?

- | | |
|-----------------|--|
| 1. DOG • | Carries their house on its back -A |
| 2. CAT • | Cold blooded reptile -B |
| 3. BIRD • | Always lands on their feet (mostly) -C |
| 4. FISH • | Hops around and loves carrots -D |
| 5. GUINEA PIG • | Man's (human's) best friend -E |
| 6. MOUSE • | Can swim and may live in the sea -F |
| 7. RABBIT • | Has wings to fly -G |
| 8. TURTLE • | A small rodent that loves cheese -H |
| 9. LIZARD • | A Cavy from South America -I |
