

# Yeading Infants News

## DECEMBER NEWSLETTER

2022

Welcome to the December edition of the newsletter! It has been wonderful to see the progress the children have made this term.

I have been visiting classes with Mrs Malik and Mrs Cheema and we have all been super impressed with the new skills and learning the children are sharing with us. It is very clear that children are being supported at home with their learning.

I would also like to extend my thanks to all the parents and carers who have been supporting the children with learning their lines and songs for the Christmas shows. The children tried their very best for a tremendous performance and the staff have been equally hard working in helping the children put on a fabulous show! It is wonderful to see the children growing in confidence and the school community coming together.

As is tradition KS1 children went to the Beck theatre to watch Cinderella and took part in a fabulous rendition of this popular fairy tale. Going to the theatre is a delight for the children and a wonderful opportunity!

Please continue to practice reading, writing and maths over the break with enough time to celebrate and have fun! The children will be developing their language skills in learning so please encourage lots of conversation about what they have been doing so they continue to build confidence in learning!

I would like to take this opportunity to thank you and our wonderful Governing Body for their ongoing support and wish you a restful and safe holiday! To all our families celebrating Christmas, a very Merry Christmas!

*Best wishes for the New Year!*

### Celebrating Birthdays in school

We are a Gold Healthy School and if you would like your child to celebrate in school, please feel free to donate a class book to the class library. A gentle reminder that we do not accept sweets and chocolate to give to the children. Thank you for your co-operation.

### Christmas Jumper Day

Very happy to say that through the generous donations we have received £259 for Save the Children donations from wearing Christmas jumpers. Thank you to all the families who donated!

**Headteacher:**

Mrs Ahluwalia

**Deputy Headteacher:**

Mrs Malik

**Assistant Headteacher:**

Mrs Cheema

## Beck Theatre

On two bitterly cold mornings, in December Years 1 and 2 visited the Beck theatre to watch the Christmas Panto and what a wonderful experience it was! As always, all the children were incredibly well behaved and impeccably well mannered. A big thank you to Mrs Sellick for organising such a valuable cultural experience for the children !

## Christmas Show

After a two year hiatus, the live performances were back! In between learning the children have been working on putting on tremendous shows for the school and parents. I am sure you were as wowed as we were for their efforts! Performance is an integral part of the learning and as such the children seek to learn lots about themselves and build self esteem. Thank you to the Peter Mackenzie and Vanessa Thornborough for visiting us to watch the shows! All your support is greatly appreciated!

## TFL STARS AWARD

TfL's STARS schools accreditation scheme inspires young Londoners to think differently about **travel** and its impact on their health, wellbeing and their understanding of the difference that they can make in their local community. In Yeading Infant and Nursery School, we provide a range of rich and engaging physical activities. We are so proud to announce that for a second consecutive year, we have achieved the **Gold STARS** award. The children of our school have been participating in making **conscious decisions** that help reduce air pollution as well as being active by taking part in walking, riding or scooting to school. We have gone out to do litter picking on Yeading Lane, the car park and our playground. By also providing learn to ride sessions across the school, this has steered lots of children to confidently ride a bike to school not only for fitness but understanding that it is too a source of transport.

## CHRISTMAS SPORTS CAMP SCHEDULE
