

23rd April 2019

Dear Parents and Carers,

It brings me great pleasure to attach the full Ofsted report for you to read. At this time of celebration for Yeading Infant and Nursery School, I would like to thank the hard work and conscientious commitment of our wonderful staff, governors, children and families.

On Tuesday 19th March and Wednesday 20th March, Ofsted Inspectors visited Yeading Infant and Nursery School and I am delighted to inform you that they have judged our school to be 'Outstanding' in all areas.

All areas includes:

- Effectiveness of leadership and management
- Quality of teaching, learning and assessment
- Personal development, behaviour and welfare
- Outcomes for pupils
- Early Years provision

The inspection team of 3 inspectors found that the **'headteacher, ably supported by governors and senior leaders, has created a school where children are able to learn and grow in an environment that stimulates and challenges them'**. They found that **'pupils flourish in this nurturing environment'** where the **'curriculum is rich and varied, with a wide range of extra-curricular opportunities. These provide pupils with high quality experiences'**. We are proud that they noticed that the **'behaviour of pupils is exceptional'** and observed that **'pupils get off to a very strong start in early years and make outstanding progress from their starting points'**.

It has been wonderful to have the inspectors acknowledge that **'partnerships with parents is a significant strength'** and that our **'skilled and dedicated senior and middle leaders ensure that pupils make exceptional progress throughout their time in school!'**

Well done everyone!

Yours sincerely,
