

Geography

EYFS

Children learn about their environment using knowledge from observations, discussions stories and maps. They begin to explain some similarities and differences between life in this country and life in other countries.

Year 1

Children will develop their geographical skills and knowledge using simple fieldwork and observational skills to study about their school and its grounds including the key human and physical features of its surrounding.

Year 2

Children understand implications of Geography , today and for the future. All about the continent of Europe, including some of its countries, cities, rivers,mountains and the lives of children who live there.
