

Equality Policy

Introduction

This single policy replaces separate policies the school has on race, disability and gender to eliminate discrimination, advance equality of opportunity and foster good relations. It reflects the legal duties set out in the Equality Act 2010 and non-statutory guidance set out by the government in December 2011 and March 2012. Part One sets out the school's aims to promote equality of opportunity and comply with the Act; Part Two sets out the legal duties which are referred to in Part One. To view the school's current equality objectives see our Aims and Objectives, accessible on the website. The primary aim of Yeading Infant and Nursery School is to enable all pupils to take part as fully as possible in every part of school life by developing each child's self-confidence, recognising their strengths and encouraging them to achieve their full potential. At Yeading Infant and Nursery School we will take steps to advance equality of opportunity, foster good relations and eliminate discrimination or harassment across all the protected characteristics (age, race, gender reassignment, disability, marriage and civil partnership, religion and belief, pregnancy and maternity, gender, sexual orientation) within the school community.

The Equality Act 2010 imposes a general duty on schools to:

- Promote equality of opportunity and comply with the act;
- Promote good relations between pupils, staff and visitors to the school;
- Eliminate unlawful discrimination.

There are also specific duties requiring each school to:

- Prepare a written policy of equality;
- Assess the impact of its policies, including its equality policy, on pupils, staff and parents, including the impact on attainment levels on such pupils;
- Monitor by reference to their impact on such pupils, staff and parents, the operation of such policies, including their impact on the attainment of such pupils.
