**Mrs Malik**

**Assistant Headteacher:**  
**Mrs Cheema**

## Headteachers' Message

It gives me great pleasure to welcome you to the final newsletter of the year. It has been a brilliant end to a year where the lifting of restrictions has seen a welcome return to so many of our wonderful events here at Yeading Infants. I have been reading through the children's reports and it is clear to me that they have all been working very hard with their teachers and support staff to achieve their expectations for the year. I would especially like to acknowledge the hard work of all our families in supporting your children by reading regularly and encouraging them to keep up with practicing their maths and writing. The progress made by our children in reading, writing, maths and other subjects shows a super attitude to learning as we returned to normal. A special well done must go to all the dedicated teachers and staff who have worked so hard with the children and of course to our super parents and families who have ensured children come to school everyday and all homework is done. It really shows! As the summer holidays approach I would support you in providing fun and exciting activities for your children whilst also integrating some reading, writing and maths into their routine. The children really benefit from getting into lifelong learning habits that will benefit them not

only in the next academic year but also far beyond!

We have also celebrated many achievements this year including a successful renewal of our Leading Parent Partnership Award (LPPA) and Basic Skills award and Eco Flag renewal. I have seen a remarkable improvement in self confidence in lots of children throughout the course of the year. We have been celebrating our achievements in our annual Awards and Best Attendance Assemblies with the children. Please can I also encourage everyone to take part in the Summer Reading Challenge at Yeading Library so that we can ensure we have lots of children getting prizes and medals upon completion. We are working with Yeading Library to ensure that all the children who have registered this week collect all the prizes as they finish reading all the books. It's a great way to relax. I have also been very proud to watch the children showcase their drama skills in their class assemblies. On July 5th the children had an opportunity to meet their new teachers which was an extremely positive event. For our youngest children it supported them in familiarising them with their new class-

rooms and meeting all the staff that will be working with them in September. The children have a very exciting job now of writing to their new teachers about themselves and their summer adventures! I would like to take this opportunity to wish all our Year 2 Leavers the very best of luck as they begin the next phase of their school journey.

I would like to say farewell and good luck to the teachers leaving this year. Thank you for your time at Yeading!

We have included information about supporting your child at home in this newsletter so please click on the links to access the support.

- <https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>

Lastly I would like to wish you all a safe and wonderful holiday, filled with lots of rest and relaxation. I look forward to hearing all about your adventures upon our return.

Mrs Ahluwalia

## Summer Holiday Workbooks

Summer Holiday workbooks have already been sent home with children on Friday 15th July. The packs will support parents in maintaining good learning habits and supplement a varied holiday programme for your child,

which should also include lots of opportunities to rest and play.

We look forward to sharing how you have got on in September. Good luck!

Yeading infants hosted a bonanza of an event where so many families spent time enjoying the school fair. So many of our local companies turned up to support us including a local estate agents and the fair-ground rides! It was wonderful to have some

of our parents run stalls, supported by staff and governors. Thank you to everyone who came out to support the school in raising over £2000 which will help subsidise the children's trips. We look forward to welcoming

you back next year!

## Take one Picture 2022

What a year for Art at Yeading infant and Nursery School. This year we studied Claude-Joseph Vernet's 'A Shipwreck in Stormy Seas'. The children were so inspired to create modern day masterpieces! All of the artwork was displayed in the classrooms and corridors for everyone to see.

Hopefully next year we will see the return of our annual Display evening! Lots of parents and children were in awe of the work which showed talent and commitment! Well done to everyone for their hard work!

The children across the school have been visiting local areas of interest to support the enrichment of the curriculum. Nursery took a short walk to our local park next door to the school. Reception went on an excursion to Hanwell Zoo to see the animals that we

sponsored last year, Year 1 went to the Brentford Steam Museum and Year 2 made some fantastic memories at Kidzania and Windsor Castle. We are very grateful to the staff for organising such motivating trips and also to the parents who accompanied the classes on the trips!

## School trips

# Summer Reading Challenge 2022

It's that time again when we get excited about the [Summer Reading Challenge](#)! All Reception, Year 1 and Year 2 children are able to take part! Throughout the year it has been good to see the many positive comments in the Reading Record books completed with parent comments telling us how your children are reading at home. Please keep reading with your children as it makes so much difference to their fluency and

confidence!

Once children are talking more about their reading, their writing also improves.

So, Yeading, let's get reading!

## SPORTS DAY

On a sunny Wednesday in June Yeading infants school celebrated a return to the much loved Sports Day! Children and staff(!) enjoyed taking part in a range of activities which showed how much progress the children have made in developing their physical development skills this year. It was also very heartening to all

the mums and dads who took part in the popular parents sprint. Well done to the winners and everyone else for being such good sports! Thank you to Mrs Moore for organising a fantastic event which saw the school come together after a 2 year hiatus!

## Polite Reminders

### **Learning Expectations Sheet!**

At parents evening you should have received an expectations sheet for your child's new class. Please take some time to review this with your child to give them the best possible start in their new class. If you have not received it, please ask your child's class teacher.

### Lost Property

Please ask in the office if your child has lost anything during the course of the year. Chances are it's probably ended up in the lost property! Please check before the end of term!

### School start in September

**School will resume for children on Monday 5th September at 8.45am**

# Summer Events

# INSPIRE YOUR CHILDREN TO BE ACTIVE

**Saturday 1 October 2022**

**Every child  
who finishes =  
£10 for your  
school!**

**Medal  
for every  
finisher**

**Free to  
enter**

**Cross  
the London  
Marathon  
Finish Line**

**We'd like to invite you to enter  
your pupils into the brand new  
TCS Mini London Marathon,  
taking place in Westminster  
on Saturday 1 October.**

For the first time ever, we're holding a one-mile and 2.6km event for children the day before the world-famous TCS London Marathon. It's a chance for your children to run, jog, walk or wheel by Buckingham Palace and cross the very same Finish Line as the world's best athletes.

All abilities and ages can take part, from Reception through to Year 12. You'll be able to pick the distance that suits your pupils the best when you register.

And that's not all... every child who finishes will receive a special TCS Mini London Marathon medal AND your school will receive £10 per finisher to spend on PE or IT equipment.

Places in this exciting new event are limited, so be quick – find out more and enter today via our website below.
