Headteachers' Message

Welcome to the April/May edition of the newsletter! We have been delighted to see the children flourish this half term as they make strides in their learning. I have been visiting classes and speaking to children about their achievements so far this year. I know our parents and carers work so very hard with the children and we are very fortunate to have your support.

I have also enjoyed the return of class assemblies over the last five months from Reception to Year 2 and we are all looking forward to watching class assemblies from Nursery after the half term. The quality has been astounding and children have thoroughly enjoyed practicing their speaking and listening.

We have been very happy to receive the Inclusion Quality Mark reaccreditation once again this year. It is a testa-

ment to all the hard work of the entire school community. Thank you to Mrs Cheema for organising.

We have also been very excited to host face to face parent workshops again after two years. It was super to have parents working alongside specialist staff to support reading and writing. We look forward to supporting parents and carers in the future with more workshops that will help children achieve their targets.

We look forward to welcoming you all back in the second half of the summer term where children will be attending trips which will help to enrich their learning in the classroom. We will support children in their learning through first hand experiences. Please look out for more information in our weekly newsletters.

I would like to end by wishing you all a safe and restful holiday. I very much look forward to hearing all about your fantastic adventures when we return!

Mrs Ahluwalia

News in brief....

Summer Reading Challenge

Look out for information on the Summer Reading Challenge coming up in the next few newsletters. Children will be able to sign up at Yeading Library and read throughout the summer receiving some fantastic prizes as they go!

Medical and Dentist Appointments

Please could we remind parents and carers to book medical and dental appointments after school and in holidays wherever possible. Taking time off school will affect your child's attendance and they miss out on their learning. Thank you.

Celebrating Birthdays in school:

We are a Gold Healthy School and if you would like your child to celebrate in school, please feel free to donate a class book to the class library. Thank you for your co-operation.

Animal Menagerie!

We continue to support children post pandemic through pet therapy and in addition to the very boisterous Star the spaniel, we also have reptiles and amphibians in school which the children have been learning about. Miss James has been working with Mr Khan who supplies the geckos and tree frogs to

ensure the animals are comfortable in their new home, here at Yeadng. It is wonderful to see how excited the children as they check in on the animals and keep up with all their news!

King's Coronation at Yeadng!

On Friday 5th May Yeadng Infants celebrated the King's Coronation with a simply glorious street party in the playground. The weather held out for us so we were able to enjoy the party in the sunshine along with a lovely portion of fish and chips! Children danced around the May-

pole and there was a wonderful celebratory atmosphere in the school. We took part in learning about the coronation and activities including writing to the new King! Children understood the significance of this historic moment and enjoyed learning about it as part of our British Values curriculum.

EID Assembly

The children in Year 2 shared a wonderful assembly celebrating Eid after the month of Ramadan. We were able to learn about some of the customs and traditions for celebration. Children recited some prayers in

Arabic and shared some family recipes for food! It was a lovely insight into one of the festivals celebrated in our school community and we love to learn about each other's cultures. Thank you to Miss Semi for organ-

ising and to our wonderful parents for coming to watch!

LONDON MINI MARATHON

We are thrilled to have taken part in the London Mini Marathon for the second time in 6 months! It has been wonderful to see the children and parents practice their running skills in such a prestigious event! We are also so very grateful to our lovely parents who went to support their children by participating in such a great race. Over 50 children and parents joined the race alongside other

families from across London. The children had the opportunity to run past some historic landmarks including Horse guards Parade, Green Park and of course Buckingham Palace. There was a double celebration as London was getting ready for the King's Coronation so all the streets were decorated too! A huge thank you to Mrs Siyani and Mrs Loi for their organisation-

al skills and commitment to helping the children take part in such a momentous event! Look out for more information next year if you would like to take part.

Sports Tasters

Part of the things we love at Yeading is offering the children excellent opportunities to try out different sports and practice their skills. Children in Year 2 went to the Barnhill BAME sports event at Barnhill High School. Children participated in a whole host of PE games that were organised by Barnhill students. Children were impeccably behaved and represented the school well.

This term children have been continuing to practice riding their BMX bikes with Hawks bikes and showing good skills with balance and co-ordination. This year we have also begun our very first Girls' Football club which has been very well received! We look forward to seeing the girls develop their skills further and perhaps you may see them play for the England Lionesses!

We have also had the privilege of having a cricket taster. Children had the opportunity to practice batting and bowling learning some of the key terminology for cricket! We look forward to offering more exciting opportunities for children later in the summer term! Although not strictly sport we have also been very fortunate to host iRock assembly where children got the chance to make their own rock band! All who attended enjoyed the songs and musical harmony!

Notices

PARENT COUNCIL

Car Park

A reminder for all parents and carers NOT to walk through the car park. Cars are pulling in and reversing all the time and it is very difficult for drivers to see small children as they run into the car

park unexpectedly. SAFETY is our primary concern and we would like to say a huge thank you to all parents and carers who are using the pedestrian gates at all times.

Amazing April & Marvellous May at Yeading...
