Headteachers' Message

Welcome to the March edition of the newsletter! As usual it has been a very busy month with lots of learning and enrichment activities to support our children. We have had lots of visitors to school who have been delivering workshops for carbon monoxide safety, the Police have been in to talk to us about safer neighborhoods and Reverend Vanessa to share the meaning of Easter for Christians. We marked the beginning of the month with the annual World Book Dress up day and I was delighted to see all the inspiring costumes made at home. We have also had some fantastic feedback for the children who recently performed the Wombles Song at the Beck Theatre. A huge thank you to Miss Leech, Mrs Greenwood, Mrs Joshi and Miss Charlotte for organising all the rehearsals and supporting the children on their journey to representing the school in such a lovely local festival.

We have also been learning all about the joys of Spring as our duck eggs arrived from the farm, organised by Mrs Bhamvra. The ducklings hatched at school and the children have been learning all about them and their habitats. They are just outside my office and it brings me great joy listening to them chirping all day! The children have also had the opportunity to pet them which is such a fantastic opportunity.

During the summer term, we have a great many trips and further learning experiences planned for the children including learning about the King's Coronation so I would encourage you once again to continue to keep healthy so that the children can come to school every-day and reach 100% attendance.

The holidays are a time for

coming together as a family and having fun with friends too. The children will be bringing home some suggested activities to do with you and completing these will benefit them greatly in achieving their future targets. I would also like to thank all the parents who have been attending the workshops we have been hosting to help you. Feedback has been very positive and we will be doing more in the Summer term.

Wishing all our families celebrating the start of Ramadan, celebrating Easter and Vaisakhi a wonderful time with family and friends!

Mrs. Ahluwalia

News in brief....

Comic Relief

A huge well done to all children and staff who wore Red for Comic Relief! We raised an astounding £307.45 to support projects in the UK and Africa! Well done everyone!

Medical and Dentist Appointments

Please could we remind parents and carers to book medical and dental appointments after school and in holidays wherever possible. Taking time off school will affect your child's attendance and they miss out on their learning. Thank you.

Celebrating Birthdays in school:

We are a Gold Healthy School and if you would like your child to celebrate in school, please feel free to donate a class book to the class library. Thank you for your co-operation.

International Women's Day

This year we put on our best purple outfits to celebrate International Women's Day. Children celebrated all the inspirational and dedicated women who help us in our lives and throughout history who inspire us. Children learnt about scientists, astronauts, writers, politicians, activists, mathe-

maticians and many, many more. We look forward to learning about these motivating women in other subjects throughout the course of the year. If you would like to learn more, why not take a trip to the library and choose some biographies to read together

with your child. Thank you to all the parents who dressed up in purple too!

Fairtrade Fortnight

As part of our ongoing work on sustainable development goals or SDGs, we have been learning about the importance of Fairtrade for farmers and independent food suppliers around the world. We learnt about how a fairer price can contribute to better working and living conditions for those who

grow and sell our favourite products for us. We are continuing to work with our local organisations like our library where the school council and Eco team have been working together to support growing plants in the local community. Children have been learning about the wider implications of their actions and how they can help their community and each

other towards a sustainable world. In the summer term we will be working on more Fairtrade. Mrs Cheema and Miss Jalal also collected the International Schools Award from the Houses of Parliament on behalf of the school for all the hard work everyone has been doing on sustainable development goals. Thank you!

• For All Boys & Girls Aged 5-12 Yrs
• Venues Across Greater London and Herts

Science Week 2023

British Science Week was a wonderful opportunity for the children to deepen their science knowledge and skills. Lots of you got busy with your children in finding experiments they could do at home! In Year 2 the children received a visit from Geobus and there was also another space workshop which the children had lots of questions about! We also wel-

comed Mr Khan from My science Garden who was able to tell us more about the Leopard geckos Sammy and Delilah and the Chinese Water Dragon. The children were so engaged in learning more about these creatures which are spending some time with us. Thank you to Miss Dhami and Mrs Bhamvra for organising such an interesting week.

WORLD BOOK DAY

WORLD
BOOK
DAY
2 MARCH 2023

At Yeading we love World Book Day and this year was no exception! We have been so blessed with such talented parents and carers who have created some fantastic costumes with their children to celebrate all the wonderful book characters that we have

come to know and love! As a reading school we particularly love celebrating all the wonderful books that we have read and continue to read as the children shared their enjoyment of stories! It was also an opportunity to read our Bug Club stories which children enjoy and raise some money for charity

in the process. We raised £129.36 for World Book Day! Thank you to Mrs Gujadhur for the exciting assembly.

Notices

Car Park

A reminder for all parents and carers NOT to walk through the car park. Cars are pulling in and reversing all the time and it is very difficult for drivers to see small children as they run into the car park unexpectedly. SAFETY is our primary concern and we would like to say a huge thank you to all parents and carers who are using the pedestrian gates at all times.

For the safety of all children and carers, please can we ask all parents and carers not to bring their cars into Carlyon Road. We are encouraging all children to walk to school

Attendance and Punctuality

We take attendance and punctuality very seriously at Yeading. Doors open for class at 8.45am and it has been encouraging to see so many children taking advantage of the soft start before the bell at 8.55am. If you are worried about being late for school, we have a wonderful Breakfast club which the children can attend. Please contact us to find out more.

Marvellous March at Yeading...
