Headteachers' Message

It gives me great pleasure to welcome you to the final newsletter of the year. It has been a brilliant end to a year. I have thoroughly enjoyed reading through the children's reports and seeing the good progress they have made. I am excited to see how they can build on this in the next academic year. I would also like to acknowledge the hard work that all our families have been doing in supporting the children by reading regularly and encouraging them to keep up with practicing their maths and writing. The progress made by our children in reading, writing, maths and other subjects shows a super attitude to learning. A special well done must go to all the dedicated teachers and staff who have worked so hard with the children. As the summer holidays approach I would encourage you in providing fun and exciting activities for your children whilst also integrating some reading, writing and maths into their routine. The children really benefit from getting into lifelong learning habits that will benefit them not only in the next academic year but also far beyond!

We have also celebrated many achievements this year including a successful renewal of IQM award and Eco Flag renewal. We have been celebrating our

achievements in our annual Awards and Best Attendance Assemblies with the children. I cannot stress how important attendance in school is everyday. I would also encourage everyone to take part in the Summer Reading Challenge at Yeading Library so that we can ensure we have lots of children getting prizes and medals upon completion. It's a great way to relax. I have also been very proud to watch the children showcase their drama skills in their class assemblies.

On July 4th the children had an opportunity to meet their new teachers which was an exciting day. For our youngest children it supported them in familiarising them with their new classrooms and meeting all the staff that will be working with them in September. The children have a very exciting job now of writing to their new teachers about themselves and their summer adventures! I would like to take this opportunity to wish all our Year 2 Leavers the very best of luck as they begin the next phase of their school journey.

I would like to say farewell and good luck to the teachers leaving this year. Thank you for your time at Yeading! Mrs Moore

has been an inspirational and dedicated teacher who has taught so many of the children and their siblings over the years! Her energy and positive attitude will be a lucky addition to the next school. We say good bye to Miss Dhama as she heads on to new pastures. She has been a wonderful and exciting teacher in Years 1 and 2. We wish Mrs Amendola well as she embarks upon her retirement in the UK and overseas. Even though Mrs Gujadhur has been with us for such a short time, she has made a huge impression and we wish her well in her relocation. We also say goodbye to Mr Pall who has been working on the school's IT with us. He has been a valued member of the school team and we wish him well as he begins a new adventure overseas. Thank you to all of the staff for their support and for being such fantastic members of Yeading Infant School. In September we will be welcoming our new members of staff and we look forward to working with them.

Lastly I would like to thank our brilliant staff and governors for being so supportive. I wish you all a safe and wonderful holiday, filled with lots of rest and relaxation. I look forward to hearing all about your adventures upon our return.

Mrs Ahluwalia

Summer Holiday Workbooks

Summer Holiday workbooks have already been sent home with children this week. The packs will support parents in maintaining good learning habits and supplement a varied holiday programme for your child, which should also

include lots of opportunities to rest and play.

Please share these with your new teacher in September. Good luck!

Beck Theatre performance

This year some children from year 2 delivered a wonderful show filled with fun and enjoyment. The children represented Yeading at the Beck Theatre alongside other schools in what was a fantastic night. The children certainly made us all proud and a huge thank you to Mrs Wil-

liams and Mrs Joshi for their ongoing support, preparation and encouragement for the children to deliver such an outstanding performance.

Rhino Readers

Twinkl Phonics are sharing some FREE reading materials linked to the phonics scheme. They are called Rhino Readers and the books can be found here:

<https://www.twinkl.co.uk/I/jb008>

Cricket Taster

This term some of the children have had an opportunity to test out their cricket skills and practice their bowling, batting and fielding skills. The children enjoy developing these skills as part of our enriched offer of sport for all. Children who are part of clubs outside of school have

the opportunity to share their skills with their friends. Thank you Mrs Siyani for organising this and we look forward to seeing what tasters are available in the Autumn term.

Display Art Afternoon

Our Display Art afternoon showcased all the work the children have done about this year's Take one Picture 'Surprise' by Henri Rousseau. The children had the opportunity to work with lots of art mediums including paint, clay, acrylic, collage, decoupage and sculpture. The children also used computing to create little masterpieces which will adorn the classes and corridors in the new year. Thank you for all the

families who took the opportunity to visit and then went on to meet their child's new class teacher. It was very encouraging and the staff thoroughly enjoyed the opportunity to meet everyone. We look forward to seeing what next year's picture will be but in the meantime, please take some time to enjoy the picture of the stunning artwork here in this newsletter!

Summer Picnics!

It was absolutely lovely to see so many of you at our summer picnics this year! The Picnics are an established part of our summer calendar and a wonderful way to spend an afternoon with all the families and children together. We loved seeing everyone enjoy their picnics and all the activities including face painting, cotton

candy and popcorn. A special thank you to all the parents who were very patient with the date changes as we waited for sunnier weather so the children could enjoy the discovery garden. We look forward to next year!

Polite Reminders

Learning Expectations Sheet!

At parents evening you should have received an expectations sheet for your child's new class. Please take some time to review this with your child to give them the best possible start in their new class. If you have not received it, please ask your child's class teacher.

Lost Property

Please ask in the office if your child has lost anything during the course of the year. Chances are it's probably ended up in the lost property! Please check before the end of term!

School start in September

School will resume for children on Wednesday 6th September at 8.45am. We look forward to seeing you all then!
